Celebrating Term 2……

Camp

A wonderful time was had by all on our excursion and camp to Wooglemai. Well done to all of our students who behaved responsibly, safely and respectfully. Mr Nicol from Wooglemai complemented our students on how they participated. Well done Burrawang!
Debating

Congratulations to the Hornets debating team on their win against the Black Eyed Peas. The topic up for debate was “Homework should be banned from schools.”

Athletics Carnival

A big congratulation goes to Sequoia, Breanna, Frankie, Oscar, Tiago, Aurora and Imagen who have made it through to the District Athletics Carnival.
Kindergarten enrolments

Enrolments for Kindergarten 2016 are being accepted now. Please pass this information onto anyone you know who may have children wishing to enrol for next year. Enrolment forms are available from the front office.

Students of the Week

Congratulations to our students of the week.

Week 9 – Jessica and Luke

PBS tickets

Congratulations to the many students who received PBS certificates recently.

Don’t forget!

- SRC will be selling hot chocolate again next term each Wednesday for $1
- Lost or missing notes can be downloaded from the school's website.
- Thank you to the parents who have been making online payments. This is a much easier transaction for our office.
- Please regularly check your child's head for headlice.

Reports

Semester 1 reports will go home tomorrow. Please celebrate your child’s achievements and successes in a positive way. This report gives you a snapshot of your child's achievements and progress at this point in time. It provides an opportunity for parents and their children to reflect on learning and use the information to talk about how they can constantly improve and reach their full potential.

All students who are working at the appropriate stage level will gain the “sound” achievement. This means they have achieved the expectations and outcomes set out in our syllabus. Some of our students have achieved a “high” grade and this means they are working above their grade level in that particular area. A “basic” or “limited” grade simply means that your child has yet to fully achieve the set outcomes. As we know, all students learn and develop at their own pace and this should be used as an opportunity to develop strategies for improvement. Please speak to your child’s teacher if you have any concerns.

Canteen

*Thanks Natalie for organising this week’s canteen.*
